

## Prayers for November 2020

*As we transition into a new month, not far from another year and still filled with uncertainty, let us pray daily the Prayer of Thomas Merton before each petition, in hope that this prayer will bring comfort, grace and direction today and in whatever is to follow :-*

A Prayer for Times of Transition by Thomas Merton:

My Lord God, I have no idea where I am going. I do not see the road ahead of me.

I cannot know for certain where it will end.

nor do I really know myself, and the fact that I think I am following your will does not mean that I am actually doing so. But I believe that the desire to please you does in fact please you.

And I hope I have that desire in all that I am doing.

I hope that I will never do anything apart from that desire. And I know that if I do this you will lead me by the right road, though I may know nothing about it

Therefore, will I trust you always though

I may seem to be lost and in the shadow of death.

I will not fear, for you are ever with me,  
and you will never leave me to face my perils alone. Amen.
